Enacted Law Summary

Resolve 2015, chapter 69 directs the Department of Transportation to designate the Essex Street overpass bridge in the City of Bangor that crosses over Interstate 95 the Brent Cross Bridge.

LD 1592 **An Act To Amend the Maine Traveler Information Services Laws** **PUBLIC 403**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
	OTP-AM	S-380

This bill was reported by the committee pursuant to joint order, S.P. 628 and then referred back to the committee for processing in the normal course.

The intent of the bill is to address a recent United States Supreme Court decision, *Reed v. Town of Gilbert*, No. 13-502 (2015), relating to categorical signs within a public right-of-way.

The bill makes the following changes to the Maine traveler information services laws.

1. It clarifies the definition of "erect" to also mean display.
2. It adds a definition of "temporary sign" to mean a sign bearing a noncommercial message that has been placed within the public right-of-way for a limited period of time.
3. It corrects a typographical error in the provision relating to types and arrangements of signs.
4. It removes the following signs from the provisions relating to categorical signs within the public right-of-way: signs showing the place and time of service or meetings of religious and civic organizations; memorial signs or tablets; signs bearing political messages relating to an election, primary or referendum; signs erected by a producer that directs travelers to the location where farm and food products are grown, produced and sold; and signs erected for a farmers' market that are directional in nature. Instead, the bill creates a broader category of temporary signs within the public right-of-way in order to regulate signs within a public right-of-way in a content-neutral manner per the United States Supreme Court decision, *Reed v. Town of Gilbert*, No. 13-502 (2015). It provides that a temporary sign may be placed within the public right-of-way for a maximum of six weeks per calendar year during the time period from May 1st to November 15th. It provides that a temporary sign may not be placed within the public right-of-way within 200 feet of another temporary sign bearing the same or substantially the same message.
