Committee Report

Amendments Adopted

OTP
OTP-AM

This bill is reported by the committee pursuant to the Maine Revised Statutes, Title 36, section 199-E, as enacted by Initiated Bill 2015, chapter 1.

This bill offsets the annual transfer of \$3,000,000 in General Fund revenue to the Maine Clean Election Fund by requiring corporations that file unitary income tax returns in Maine to include income from certain jurisdictions outside the United States in net income when apportioning income among tax jurisdictions. The State Tax Assessor is required to adopt major substantive rules to determine the income or loss attributable to such corporations and to prevent double taxation or double deduction of income. The State Tax Assessor is also required to submit an annual report to the joint standing committee of the Legislature having jurisdiction over taxation matters regarding whether jurisdictions should be added to or deleted from the list of tax havens based on specified criteria.

Committee Amendment "A" (H-540)

This amendment, which was adopted in the Senate, replaces the bill and changes the title. The amendment restores the offset for transfers of General Fund revenues to the Maine Clean Election Fund to reductions within the administrative divisions of the legislative branch and executive branch agencies and repeals the requirement that the Joint Standing Committee on Taxation report out to the Legislature a bill eliminating corporate tax expenditures totaling \$6,000,000 per biennium.
