This resolve establishes the Commission To Study Ways To Support and Strengthen the Direct Care Workforce across the Long-term Care Continuum. The commission is required to study current challenges to recruiting and retaining direct care workers and recommend ways to support and strengthen that workforce across the long-term care continuum. The commission's duties include reviewing related studies, legislation and Department of Health and Human Services' initiatives; determining current demand for direct care workers across long-term care settings; identifying career pathways for direct care workers within and across long-term care settings; developing worker incentive programs; and developing strategies to create high-quality work environments. The commission must submit its report, including suggested legislation, to the joint standing committee of the Legislature having jurisdiction over health and human services matters no later than December 2, 2016. The committee may report out legislation to the First Regular Session of the 128th Legislature.

Committee Amendment "A" (H-606)

This amendment, which is the majority report of the committee, makes the following changes to the Commission To Study Ways To Support and Strengthen the Direct Care Workforce across the Long-term Care Continuum.

1. It adds three members, including a representative of a labor intermediary, a representative of an organization providing services to individuals with intellectual disabilities and autism and a representative of an organization promoting independent living for individuals with disabilities.
2. It clarifies that the Commissioner of Health and Human Services and the Commissioner of Labor may be invited to participate.
3. It adds to the duties of the commission an examination of technological advances to help individuals living in their homes remain independent and an examination of the barriers to employment as direct care workers for populations who may lack credentials, transportation or English proficiency or other relevant factors.
4. It changes the date for the commission's report from December 2, 2016 to November 2, 2016.

Senate Amendment "A" (S-455)

This amendment removes the emergency preamble and emergency clause from the resolve.
