PUBLIC 85

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
DAVIS P BLACK R	OTP-AM	S-102

This bill eliminates the requirement that a person obtain a permit to hunt wild turkeys. This bill increases the number of wild turkeys a person may take during the spring open season for hunting wild turkeys from two wild turkeys of either sex to three male wild turkeys. This bill increases the number of wild turkeys a person may take during the fall open seasons for hunting wild turkeys from two to three of either sex over both seasons. This bill allows a person to register wild turkeys electronically or by telephone.

Committee Amendment "A" (S-102)

This amendment replaces the bill and eliminates the spring and fall open seasons on wild turkey and the bag limits for wild turkey in those seasons. Current law allows the Commissioner of Inland Fisheries and Wildlife to establish open seasons for hunting of wild turkey by rule. The amendment prohibits hunting of wild turkey with a crossbow from October 1st until the first day of the open season established by the commissioner in the following year. The amendment strikes the prohibition on killing or registering wild turkey after having killed or registered one wild turkey in any open season of that calendar year and instead prohibits killing or taking more than the number of wild turkey allowed during an open season established by rule by the commissioner.
