LD 130 **An Act To Provide Funding for Costs Associated with Requiring the Licensing of Midwives** **Died On Adjournment**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
VOLK A ESPLING E	OTP-AM	S-9

This bill includes Other Special Revenue Funds allocations totaling \$76,365 in fiscal year 2017-18 and \$26,985 in fiscal year 2018-19 to the Department of Professional and Financial Regulation for the costs associated with requiring individuals practicing midwifery in the State to be licensed by January 1, 2020.

This bill also includes corresponding transfers of funds from the General Fund unappropriated surplus to the Licensing and Enforcement, Other Special Revenue Funds account within the Department of Professional and Financial Regulation in fiscal years 2017-18, 2018-19 and 2019-20 to support these costs.

Committee Amendment "A" (S-9)

This amendment eliminates the transfers of funds from the General Fund unappropriated surplus to the Licensing and Enforcement, Other Special Revenue Funds account within the Department of Professional and Financial Regulation in fiscal years 2018-19 and 2019-20 due to anticipated licensing fee revenues from the licensure of individuals practicing midwifery in the State. This amendment also reduces the Other Special Revenue Funds allocations in fiscal years 2017-18 and 2018-19 to the Department of Professional and Financial Regulation based on decreased estimates of the costs of the Board of Complementary Health Care Providers associated with establishing the new licensing requirements.

The revised appropriations and allocations in this amendment are based on an assumption that the Board of Complementary Health Care Providers will be ready to accept and process applications for licensure of individuals practicing midwifery during fiscal year 2017-18 and that 20 individuals will submit applications and fees before June 30, 2018. This amendment also assumes that an additional 16 midwives will apply for licensure in fiscal year 2018-19. The resulting licensing fees will increase dedicated revenues to the Board of Complementary Health Care Providers by an estimated \$13,920 in fiscal year 2017-18 and an estimated \$24,636 in fiscal year 2018-19.

The substance of this bill was included in Part VVVVVV of the Biennial Budget, Public Law 2017, chapter 284 (LD 390).
