<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
MARTIN D JACKSON T	OTP-AM ONTP	H-180

This bill requires the commissioner or director of a state agency, which includes executive branch departments and quasi-independent agencies, to appear before a joint standing committee of the Legislature or a study commission or work group formed by legislative action and to participate in a hearing or work session of that committee, commission or work group. The bill requires that the request to appear must be made in writing and provide the date and time of the hearing or work session.

Committee Amendment "A" (H-180)

This amendment is the majority report of the committee. The amendment adds a provision to the bill to require the commissioner or director of a state agency, or the commissioner's or director's designee, to respond in a cooperative and timely manner when contacted by a member of the Legislature regarding a legislative or constituent matter.

LD 203 An Act To Opt Out of Federal Daylight Saving Time and To Ask the United States Secretary of Transportation To Place the State in the Atlantic Time Zone

Died Between Houses

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
BAILEY D	OTP-AM OTP-AM	H-76

This bill creates an exemption to federal provisions regarding the observation of so-called Eastern Daylight Saving Time in the State and requires the Secretary of State to request that the United States Secretary of Transportation place the State in the Atlantic Standard Time Zone.

Committee Amendment "A" (H-76)

This amendment, which is the majority report of the committee, replaces the bill. It does the following.

1. It adds a provision that requires the Secretary of State to monitor legislative activity in Massachusetts and New Hampshire regarding placement of those states in the Atlantic Standard Time Zone.
2. It provides that if the Atlantic Standard Time Zone is adopted by Massachusetts and New Hampshire, the Secretary of State must submit to the voters of the State a referendum question asking voters to choose if the State should seek placement in the Atlantic Standard Time Zone and opt out of observing daylight saving time.
3. It provides that if the referendum question is approved, the Secretary of State is required to request that the United States Secretary of Transportation place the State in the Atlantic Standard Time Zone.
