**An Act To Require a License for the Possession, Sale, Cultivation or Transportation of Marijuana for Recreational Use**

BATTLE K DOW D		

This bill was carried over from the First Regular Session to the Second Regular Session of the 128th Legislature.

The bill, which is a concept draft pursuant to Joint Rule 208, proposes to further regulate the cultivation, transportation, sale and possession of marijuana and marijuana products by:

  - A. Tiers for personal possession would be set at up to one ounce, more than one ounce to no more than two ounces and more than two ounces to no more than three ounces.
  - B. Possession of more than three ounces would require a commercial license, which would also be tiered, based on the quantity above three ounces.
  - C. Tiers for personal cultivation would be established at one to 50 plants and 51 to 100 plants.
  - D. Cultivation of more than 100 plants would require a commercial license, which would also be tiered, based on the quantity above 100 plants.
  - E. Tiers for engaging in the sale of marijuana and marijuana products would be based on the quantity of marijuana in the products sold.

The cost of a tiered license would increase progressively based on the quantity possessed, cultivated or sold;

2. Requiring a state-issued license for the transportation of marijuana or marijuana products by motor vehicle, watercraft or airplane within the State;
