**LD 176 An Act To Authorize the Maine Public Employees Retirement System To PUBLIC 378
Procure and Offer Long-term Disability Insurance**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
FOLEY R KATZ R	OTP-AM	H-681

This bill was carried over from the First Regular Session to the Second Regular Session of the 128th Legislature by joint order H.P. 1138.

This bill is a concept draft pursuant to Joint Rule 208.

This bill proposes to implement changes to the disability retirement program administered by the Maine Public Employees Retirement System. The changes would be based on the recommendations of a task force, which was convened by the system to review the current disability retirement program and propose changes to improve member experience while maintaining fiscal responsibility. The task force, consisting of representatives of employers and employees and staff from the system, is expected to provide its recommendations before the end of the First Regular Session of the 128th Legislature.

Committee Amendment "A" (H-681)

This amendment replaces the bill, which is a concept draft. The amendment authorizes the Board of Trustees of the Maine Public Employees Retirement System to procure and offer long-term disability insurance to the retirement system's members and employees who choose not to become members but participate in the defined contribution plan pursuant to the Maine Revised Statutes, section 18801, subsection 1. The decision about whether to offer coverage is made by the employer. Premiums would not be paid for by the retirement system, but would be paid by employers, by employees electing the coverage or by a combination of both. The amendment also directs the retirement system to report twice to the joint standing committee of the Legislature having jurisdiction over retirement matters on the use of the authority granted by this bill, once in 2019 and once in 2020.
