that the treatment be provided by staff who are licensed to practice acupuncture in the State and whose licenses are in good standing. It provides that the project may last no longer than two years and must be reimbursable as allowed under the United States Social Security Act and be cost-neutral or result in savings to the MaineCare program. LD 219 An Act To Prioritize Use of Available Resources in General Assistance Programs

Died Between Houses

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
BRAKEY E	ONTP OTP-AM	

This bill makes an applicant for general assistance who voluntarily abandons or refuses to use an available resource without just cause ineligible to receive general assistance to replace the abandoned or refused resource for a period of 120 days from the date the applicant abandons or refuses the resource. The bill defines "available resource" as a resource that is immediately available or can be secured without delay. The bill also makes an applicant who forfeits an available resource due to fraud, misrepresentation or intentional violation or refusal to comply with rules without just cause ineligible to receive general assistance to replace the forfeited resource for the duration of the sanction imposed on the applicant for violation of a rule or 120 days, whichever is greater. The bill identifies circumstances relating to use of an available resource under which just cause must be found.

Committee Amendment "A" (S-62)

This amendment, which is the minority report of the committee, adds a cross-reference to provide that a person who is disqualified from general assistance for a violation of the provisions of the bill is ineligible for emergency general assistance.

This amendment was not adopted.
