**Accepted Majority (ONTP) Report**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
GINZLER P CUSHING A	ONTP OTP	

This bill provides that, if two or more defendants are found to be liable for a plaintiff's injury, then the defendants are jointly and severally liable for the plaintiff's pecuniary damages, but each defendant is only severally liable for nonpecuniary damages proportional to the percentage of fault attributable to that defendant. If the defendants acted in concert, they are jointly and severally liable for the nonpecuniary damages as well.

The bill makes an exception to the confidentiality provision to allow for the sharing of a participant's personal information, including health information, with local law enforcement or other designated first responders as necessary to administer the program.

**Committee Amendment "A" (H-126)**

This amendment revises the bill to provide that the information may be made available to first responders but only
