<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
SIMMONS A MAKER J	OTP-AM	H-426

This bill sets at 425 the number of elver fishing licenses issued each year, not including licenses issued to federally recognized Indian tribes. The bill requires the Commissioner of Marine Resources to hold a lottery for elver fishing licenses through which a person who did not possess an elver fishing license in the previous year may become eligible to obtain one. The bill establishes a minimum allocation of elver quota to each elver fishing license holder of four pounds, unless that amount causes the State to exceed its overall annual quota set by the Atlantic States Marine Fisheries Commission. The bill requires the commissioner to adopt rules that provide a method for redistributing quotas allocated to deceased elver fishing license holders or license holders who for another reason will not fish those quotas.

### **Committee Amendment "A" (H-426)**

This amendment allows the Department of Marine Resources to charge the holder of an elver fishing license an annual fee not to exceed \$35 for an elver transaction card. The amendment allows an applicant to the elver fishing license lottery to submit up to five applications per lottery year. The amendment removes the requirement in the bill that the Commissioner of Marine Resources hold an elver fishing license lottery each year. The amendment removes the provision of the bill that allocates at least four pounds of elver fishing quota to each license holder. The amendment increases the fees for all elver fishing licenses. The amendment removes the provision in the bill that requires rules regarding elver fishing quotas to provide a method for redistributing quota that will not be fished; that authority exists in current law. The amendment defines "bulk pile" for the purposes of the law on the seizure of illegally harvested elvers as all elvers in the possession of a harvester or dealer who fished for, took, bought or possesses elvers in violation of any law or rule regulating elvers. The amendment removes the requirement in the bill that the commissioner issue 425 elver fishing licenses each year and instead allows the commissioner to issue up to 425 licenses. The amendment adds an appropriations and allocations section.
