This bill is a concept draft pursuant to Joint Rule 208.

This bill proposes directing the Public Utilities Commission to pursue the four recommendations made by Emprimus LLC of Minneapolis, MN in Emprimus LLC's report to the Public Utilities Commission filed January 6, 2015, Docket Number 2013-00145, regarding the effect of geomagnetic disturbances and electromagnetic pulses on the State's electric grid. These recommendations include:

1. Pursuing neutral blocking in the 18 transformers of the State's electric grid with the highest geo-electric-induced currents;
2. Installing electromagnetic pulse and intentional electromagnetic interference detectors at key substations on the State's electric grid;
3. Installing electromagnetic pulse and intentional electromagnetic interference protective cabinets at key substations on the State's electric grid; and
4. Monitoring the costs and benefits derived from protection of the State's electric system from harmful effects of geomagnetic disturbances and support the cost recovery of supplemental reliability improvements to Central Maine Power's Maine Power Reliability Program.

GROHMAN M MAKER J	OTP-AM OTP-AM	H-189

This bill changes the limit on the amount of the fee on prepaid wireless telecommunications service collected by the Public Utilities Commission from a percentage to a flat amount. This bill also requires the Public Utilities Commission to convene a stakeholder group to evaluate and provide recommendations regarding the method of collection of funds to support telecommunications access at libraries and public schools. The commission is required to report to the Joint Standing Committee on Energy, Utilities and Technology by January 30, 2018, and

Joint Standing Committee on Energy, Utilities and Technology

the committee is authorized to submit a bill based on the report.

Committee Amendment "A" (H-189)

This amendment is the majority report of the committee, and it replaces the bill. It caps the prepaid wireless telecommunications service fee that is contributed to the telecommunications education access fund at 21¢ per retail transaction and caps the fee levied on voice network service providers other than prepaid wireless telecommunications service providers to no more than 21¢ per month per line or number, assessed as a monthly surcharge. The amendment requires the Department of Education and the Maine State Library to jointly submit a report by January 15, 2018, to the Joint Standing Committee on Energy, Utilities and Technology that includes detailed information on how the telecommunications education access fund is used. Lastly, this amendment specifies that, notwithstanding the current prohibition under the Maine Revised Statutes, Title 35-A, section 7104-B, subsection 2-A on the Public Utilities Commission's adjusting the prepaid wireless telecommunications service fee more than once every 24 months, the commission is required to adjust the prepaid wireless telecommunications service fee to conform to the change made by this amendment.

Committee Amendment "B" (H-190)

This amendment is the minority report of the committee, and it replaces the bill. It provides a one-time appropriation to the Maine State Library to support the Maine School and Library Network, a service of Networkmaine within the University of Maine System. It also directs the Maine State Library to convene a stakeholder group to look at alternatives to funding the Maine School and Library Network that do not involve surcharges or fees. This amendment requires the stakeholder group to submit a report of its findings to the Joint Standing Committee on Energy, Utilities and Technology by January 15, 2018.

This amendment was not adopted.

Enacted Law Summary

This law requires the Department of Education and the Maine State Library to jointly submit a report by January 15, 2018, to the Joint Standing Committee on Energy, Utilities and Technology that includes detailed information on how the telecommunications education access fund is used. Lastly, this law specifies that, notwithstanding the current prohibition under the Maine Revised Statutes, Title 35-A, section 7104-B, subsection 2-A on the Public Utilities Commission's adjusting the prepaid wireless telecommunications service fee more than once every 24 months, the commission is required to adjust the prepaid wireless telecommunications service fee to conform to the change made by this law.

LD 257 An Act To Enable Municipalities Working with Utilities To Establish Microgrids

CARRIED OVER

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
DEVIN M MIRAMANT D		

This bill is a concept draft pursuant to Joint Rule 208.

This bill proposes to establish measures to allow municipalities, working cooperatively with electrical utilities, to create microgrids, which are electricity distribution systems consisting of distributed energy sources, including demand management, storage and generation and loads capable of operating in parallel with, or independently from, the main power grid. This bill would address the following requirements:
