Resolve, To Establish the York County Jail Drug Detoxification and Rehabilitation Pilot Program

CARRIED OVER

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
CHENETTE J GROHMAN M	OTP-AM ONTP	S-112

This bill establishes the County Jail Drug Rehabilitation and Treatment Grant Program to provide state funding in the form of grants to partially fund the creation of drug rehabilitation and treatment facilities and programs attached to or affiliated with county jails or regional jails. The bill requires the Department of Corrections to seek the advice of a statewide association of county commissioners and a statewide association of sheriffs in designing, adopting standards for and periodically reviewing effectiveness of the grant program. The bill specifies that the grant program provides partial funding to counties that are planning to affiliate with or build or convert a portion of county or regional jails or jail facilities for use as short-term or long-term residential drug rehabilitation and treatment facilities or programs. The bill requires the department to adopt grading standards for awarding grants that require county funding contributions to the drug rehabilitation and treatment facility or program of at least 50% of the cost, that take into consideration the level of county support and county funding and that take into consideration county need. The department is directed to compile a priority list that reflects priorities derived from the grading standards. The bill allows the department to accept funding from private and public sources and provides for funding from the County Jail Drug Rehabilitation and Treatment Grant Program Dedicated Fund, which is established in the bill as a nonlapsing, dedicated fund. The bill provides that department funds remaining and unencumbered at the end of a state fiscal year lapse to the County Jail Drug Rehabilitation and Treatment Grant Program Dedicated Fund.

Committee Amendment "A" (S-112)

This amendment is the majority report of the committee. The amendment changes the title and replaces the bill with a resolve that establishes the York County Jail Drug Detoxification and Rehabilitation Pilot Program to provide one-time state funding for the creation of drug detoxification and rehabilitation programs in therapeutic communities within the York County Jail or in facilities attached to or affiliated with the jail. The pilot program is required to provide services to inmates of the York County Jail and may provide services to inmates from other counties as agreed between the York County Sheriff and the sheriffs of other counties in this State. The amendment provides funding from the General Fund of \$975,000 per year for state fiscal years 2017-18 and 2018-19. The funding does not lapse but carries forward from year to year.

This bill was reported out of committee and then carried over to any special or regular session of the 128th Legislature on the Appropriations Table by joint order, S.P. 601.
