This amendment, which is the minority report, clarifies the administrative provisions for collection of the water excise tax and changes the distribution of revenues to provide that 10% must support lake water quality monitoring activities and that 5% must be used for well water remediation. The amendment provides that the tax first applies to bottled water operators that extracted more than 1,000,000 gallons of water in this State in calendar year 2016. The amendment also provides funding for a position in the Department of Environmental Protection.

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
BELLOWS S DOORE D	OTP-AM OTP-AM	S-119

This bill provides a complete income tax exemption for retirement benefits under state, local or federal government retirement plans that are based on employment compensation for which contributions are not made to the federal Social Security system.

**Committee Amendment "A" (S-118)**

This amendment, which is the majority report, provides that the maximum income tax deduction for a retired individual receiving retirement benefits under a retirement plan based on employment compensation for which contributions are not made to the federal social security system is equal to the maximum annual social security benefit that may be received by a person retiring at 66 years of age in January of the applicable year.

The \$35,000 pension deduction amount that applies after 2021 is subject to an annual inflation adjustment.
