Committee Amendment "A" (H-431)

This amendment replaces the bill. Like the bill, it clarifies that the six-year statute of limitations included in Article 3-A of the Uniform Commercial Code, not the 20-year statute of limitations in Title 14, section 751, applies to all negotiable instruments.

This amendment includes language to specifically apply the language to negotiable instruments executed on or after the effective date of this legislation. Negotiable instruments executed before the effective date are governed by the existing law.

Enacted Law Summary

Public Law 2017, chapter 251 provides that the six-year statute of limitations included in Article 3-A of the Uniform Commercial Code, not the 20-year statute of limitations in Title 14, section 751, applies to all negotiable instruments.

Public Law 2017, chapter 251 specifically applies to negotiable instruments executed on or after the effective date of this legislation. Negotiable instruments executed before the effective date are governed by the existing law.
