This bill prohibits a political action committee from compensating a Legislator or member of the Legislator's immediate family or household or a business owned or operated by the Legislator for services provided to the committee if the Legislator is a principal officer or treasurer of the committee or is one of the individuals primarily responsible for raising contributions or making decisions for the committee.

**Committee Amendment "A" (H-93)**

The bill prohibits a political action committee for which a Legislator is a principal officer or treasurer from compensating a Legislator's family member or household member for services provided to the committee. This amendment removes that prohibition.

### **Committee Amendment "A" (H-188)**

This amendment is the minority report, it replaces the bill and changes the title to reflect the content of the amendment.

This amendment provides that the party or political designation of a candidate of an unqualified party is limited to one word and may not include additional numbers or symbols. **PUBLIC 123**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
SAVIELLO T	OTP-AM OTP-AM	S-137

This bill permits a manufacturer who manufactures liquor at multiple licensed locations to transport the manufacturer's own product between those locations, as is allowed under federal law.

### **Committee Amendment "A" (S-137)**

This amendment, the majority report, replaces the bill. The amendment provides that a manufacturer of liquor who operates multiple facilities licensed for the manufacture of liquor may transfer liquor the manufacturer produces from one facility to another. It also clarifies that a manufacturer may transfer liquor the manufacturer produces from the licensed manufacturing facility to any establishment operated by the manufacturer that is licensed for on-premises consumption, where samples are served and where sales are permitted for consumption off of the premises.

### **Committee Amendment "B" (S-138)**

This amendment replaces the bill and is the minority report of the committee. The amendment provides that manufacturers of liquor who operate multiple facilities licensed for the manufacture of liquor may transfer liquor they produce from one facility to another. It also clarifies that a manufacturer may transfer liquor the manufacturer produces from the licensed manufacturing facility to any establishment operated by the manufacturer that is licensed for on-premises consumption where samples are served and where sales are permitted for consumption off of the premises. This amendment differs from the majority report in that it does not include language regarding clarification of majority ownership of a manufacturing facility as it applies to the transfer of liquor authorized by the amendment.

This amendment was not adopted.
