<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>

This bill shortens the time requirement for the physical examination of a child ordered into the custody of the Department of Health and Human Services from 10 days after the department's custody of the child commences to three days and allows a physician's assistant to conduct the examination. It also requires, within 60 days after the department's custody of a child commences, that the child receives an appointment for a comprehensive medical, dental, educational and mental health assessment by a licensed pediatrician and a licensed child psychologist and that reimbursement, including reimbursement for obtaining and reviewing relevant records, is provided under MaineCare for the assessment. Committee Amendment "A" (S-85)
