## *Joint Standing Committee on Health and Human Services*

This bill was carried over from the First Regular Session of the 128th Legislature to the Second Regular Session.

This bill sets the reimbursement rates for child care services under the federal Child Care and Development Block Grant program and the Additional Support for People in Retraining and Employment, or ASPIRE, program at the federally recommended rate of the 75th percentile of local market rates. It also allocates federal funding for the increase to the block grant and ASPIRE programs. (See LD 166.)

### **LD 605**      **An Act To Support Evidence-based Treatment for Opioid Use Disorder**      **ONTP**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
VACHON K WOODSOME D	ONTP	

This bill was carried over from the First Regular Session of the 128th Legislature to the Second Regular Session.

This bill provides funding for primary care patient-centered medical homes and behavioral health providers that provide evidence-based, integrated medication-assisted treatment to uninsured patients with opioid use disorder to cover costs of intensive, intermediate and long-term treatment.

The substance of this bill was incorporated into LD 1430. The substance of LD 1430 was incorporated into Public Law 2017, chapter 460.

### **LD 643**      **Resolve, Directing the Department of Health and Human Services To Increase Reimbursement Rates for Home-based and Community-based Services**      **Died On Adjournment**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
ESPLING E	OTP-AM	H-176

This resolve was reported out of committee in the First Regular Session of the 128th Legislature and then carried over to the Second Regular Session on the Special Appropriations Table. This resolve was again carried over, still on the Special Appropriations Table, from the Second Regular Session to the next special session by joint order S.P. 748.

This resolve directs the Department of Health and Human Services to increase reimbursement rates for home-based care services consistent with the recommendations made by Burns & Associates, Inc. in its report "Rate Review for Personal Care and Related Services: Final Rate Models" dated February 1, 2016. The first half of this increase was ratified by the 127th Legislature through Public Law 2015, chapter 267.

#### **Committee Amendment "A" (H-176)**

This amendment clarifies that all home-based and community-based services that were included in the Burns & Associates, Inc. rate review are included in the resolve and that the reimbursement rates are to be increased to the levels recommended in the rate study. The amendment ensures that a recipient of services may not experience a reduction in hours solely as a result of increased reimbursement. The amendment also adds an appropriations and allocations section.

The substance of this resolve was incorporated into Public Law 2017, chapter 459.
