fields when determined necessary by the school for the health and safety of the field and students. It requires the Commissioner of Education to adopt rules to implement landscaping design that minimizes or avoids the necessity of the use of pesticides on school grounds for new construction of school facilities.

**Committee Amendment "A" (H-374)**

This amendment strikes and replaces the bill.

The amendment establishes in law certain requirements of the Department of Agriculture, Conservation and Forestry, Board of Pesticides Control related to pest management on school property, including the maintenance of records related to the application of pesticides. It requires this information to be provided annually to the board and requires the board to post that information on its publicly accessible website. It also requires that the board post on its publicly accessible website a list of all board inspections of a school's use of pesticides and the results of those inspections.

The fiscal note on the amendment identifies certain requirements in this amendment as a potential state mandate. In order to be a mandate pursuant to the Constitution of Maine, a provision must require a local unit of government to expand or modify its activities so as to necessitate additional expenditures from local revenue. The committee finds the provisions identified as a potential mandate do not require a local unit of government to expand or modify its activities so as to necessitate additional expenditures from local revenue. The requirement in the amendment that a school submit a copy of its pest management activity log, which is already required by rule to be maintained, does not require an expansion or modification of activities so as to necessitate additional expenditures from local revenue. The committee does not feel that the act of submitting once per year a pest management activity log that is already required to be maintained constitutes additional expenditures from local revenue.

**LD 858      An Act To Strengthen the Law Regarding Dangerous Dogs and  
Nuisance Dogs**

**PUBLIC 404**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
NADEAU C CYRWAY S	OTP-AM	H-706

This bill was carried over from the First Regular Session to the Second Regular Session of the 128th Legislature.

This bill allows a sheriff, local law enforcement officer or animal control officer to determine whether a dog is a dangerous dog and requires the court to take that determination into account when making a decision regarding a dangerous dog. It requires the sheriff, local law enforcement officer or animal control officer who determines a dog to be dangerous to apply for an ex parte order to take possession of the dog. It removes the option of the court's allowing the owner or keeper of a dangerous dog to keep the dog and requires the court either to order the dog confined at a governmental facility or at a local humane society or similar nongovernmental organization or to order the dog euthanized. It also adds to the law regarding ordering a dog's euthanasia that the dog must be euthanized if it killed, maimed or inflicted serious bodily injury upon a domesticated animal.

**Committee Amendment "A" (H-706)**

This amendment strikes and replaces the bill.

This amendment does the following:

1. Amends the definition of "dangerous dog" to mean a dog or wolf hybrid that causes the death of or inflicts serious bodily injury on an individual or a domesticated animal who is not trespassing on the dog or wolf hybrid owner's or keeper's premises at the time of the injury or death; a dog or wolf hybrid that causes a reasonable and prudent person who is not on the dog or wolf hybrid owner's or keeper's premises and is acting in a reasonable and nonaggressive manner to fear imminent serious bodily injury by assaulting or threatening to assault that individual or individual's domesticated animal; or a dog that inflicts bodily injury on an individual or a domesticated animal who is not trespassing on the dog owner's or keeper's premises at the time of the injury and has previously been determined by a court of competent jurisdiction to be a nuisance dog;
2. Adds a new designation and definition of "nuisance dog" to mean a dog or wolf hybrid that causes bodily injury, other than serious bodily injury, to an individual or a domesticated animal who is not trespassing on the dog or wolf hybrid owner's or keeper's premises at the time of the injury; a dog or wolf hybrid that causes a reasonable and prudent person who is not on the dog or wolf hybrid owner's or keeper's premises and is acting in a reasonable and nonaggressive manner to fear bodily injury, other than serious bodily injury, by assaulting or threatening to assault that individual or individual's domesticated animal; or a dog or wolf hybrid that causes damage to property or crops not owned by the dog or wolf hybrid owner or keeper while the dog or wolf hybrid is not on the owner's or keeper's premises;
