An Act To Address Student Hunger with a "Breakfast after the Bell" Program

Veto Sustained

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
MAKER J KORNFIELD T	OTP-AM ONTP	S-163

This bill requires a school administrative unit with a public school in which at least 50% of students qualified for a free or reduced-price lunch during the preceding school year to operate an alternative breakfast delivery service that provides breakfast after the start of the school day. It also provides a process for a school administrative unit to opt out of the alternative breakfast delivery service. This bill requires the Department of Education to adopt rules to develop an application process and to adopt standards to address evaluation criteria based on need for funding assistance for alternative breakfast delivery services in school administrative units. It also requires the department to develop a means to track health and academic outcomes of students and schools that participate in alternative breakfast delivery services.

Committee Amendment "A" (S-163)

This amendment, which is the majority report of the committee, removes the requirement in the bill for the Department of Education to adopt rules to develop an application process and to adopt standards to address evaluation criteria based on need for funding assistance for alternative breakfast delivery services in school administrative units. It also removes the requirement that the department develop a means to track health and academic outcomes of students and schools that participate in alternative breakfast delivery services. This amendment removes the appropriations and allocations section of the bill. The amendment retains the provisions of the bill that require a school administrative unit with a public school in which at least 50% of students qualified for a free or reduced-price lunch during the preceding school year to operate an alternative breakfast delivery service that provides breakfast after the start of the school day and that provide a process for a school administrative unit to opt out of the alternative breakfast delivery service.

LD 816 An Act To Promote Academic Achievement through Hunger Relief for Maine Children

CARRIED OVER

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
BREEN C PIERCE T	OTP-AM ONTP	S-150

This bill directs the State to fund the difference between the federal reimbursements for reduced-price and free lunches in order to provide all children below 185% of the federal poverty level free lunch at school.

Committee Amendment "A" (S-150)

This amendment is the majority report of the committee and replaces the bill. The amendment directs the State to fund 20¢ of the funding difference between the federal lunch reduced reimbursement rate and the federal free lunch reimbursement rate for every reduced-price lunch at every public school participating in the National School Lunch Program. The amendment also clarifies that schools must provide reimbursable instead of Type A meals.

The amendment also adds an appropriations and allocations section.

This bill was reported out of committee and then carried over to the next special or regular session of the 128th Legislature on the Special Appropriations Table by joint order, S.P. 601.
