VOLK A HERBIG E		

This bill was carried over from the First Regular Session of the 128th Legislature to the Second Regular Session by joint order H.P. 1138. This bill was again carried over, still in committee, from the Second Regular Session of the 128th Legislature to the next special session of the 128th Legislature by joint order S.P. 748.

The funds provided by this bond issue, in the amount of \$50,000,000, will be used to assist in the provision of energy-efficient affordable multifamily housing to low-income Maine seniors. Forty million dollars of the bond proceeds will be used to construct new multifamily housing for seniors and to adaptively reuse existing structures to provide multifamily housing for seniors. At least one housing facility will be located in each of Maine's 16 counties. Preference will be given to housing locations that have access to health care services and other essential goods and services. Five million dollars will be used to rehabilitate existing affordable senior housing facilities. Five million dollars will provide for home repair and weatherization of the existing homes of low-income seniors. The bond proceeds will leverage an estimated \$75,000,000 in private and other funds.

Joint Standing Committee on Appropriations and Financial Affairs

This bill was carried over from the First Regular Session of the 128th Legislature to the Second Regular Session by joint order H.P. 1138. This bill was again carried over, still in committee, from the Second Regular Session of the 128th Legislature to the next special session of the 128th Legislature by joint order S.P. 748.

The funds provided by this bond issue, in the amount of \$75,000,000, will be used to modernize and improve the facilities and infrastructure of Maine's public universities. The bill also provides \$2,500,000 in debt service beginning in fiscal year 2018-19 to make critical information technology investments in wireless communications and classrooms across the University of Maine System.

Committee Amendment "A" (H-802)

This amendment, which is the majority report of the committee, changes the title, reduces from \$75,000,000 to \$49,000,000 the funds provided to build Maine's workforce development capacity by the construction, reconstruction and remodeling of existing or new facilities and other infrastructure within the University of Maine System and adds a bond issue to provide funds in the amount of \$15,000,000, to be used to improve educational programs by upgrading facilities at all seven community colleges to provide Maine people with access to high-skill, low-cost technical and career education. The amendment also removes the appropriation to the University of Maine System, and it requires the University of Maine System to submit a report to the Legislature and Governor on the system's capital expenditure plan every two years.

Enacted Law Summary

Public Law 2017, chapter 465 does the following.

Part A provides for a bond issue, in the amount of \$49,000,000, to be used for the construction, reconstruction and remodeling of existing or new facilities and other infrastructure within the University of Maine System, as approved by the Board of Trustees. The bonds must be matched by other public and private funds.

Part B provides for a bond issue, in the amount of \$15,000,000, to be used to improve educational programs by upgrading facilities at all seven community colleges.

Part C requires the University of Maine System to submit a report to the Legislature and Governor on the system's capital expenditure plan every two years.

The bond issue is subject to voter approval at a statewide election to be held in November, 2018.
