LD 887 An Act To Provide Relief to Maine Property Tax Payers

Committee Report

Amendments Adopted

This bill is a concept draft pursuant to Joint Rule 208.

This bill proposes to change the method for providing property tax relief through State-municipal revenue sharing by providing benefits directly to property tax payers through a state tax credit rather than through distributions to municipalities. The maximum an individual taxpayer could receive would be 80% of the individual's annual property tax bill. The maximum a corporate taxpayer could receive would be 40% of its annual property tax bill. The credit would be calculated as a percentage of the total revenue sharing funds based on a taxpayer's annual bill, the percentage of total revenue sharing funds attributable to the municipality where the taxpayer's property is located and the taxpayer's annual property tax liability as a percentage of annual property tax liability statewide.

Amendments Adopted

This bill requires the county commissioners for a municipality or primary assessing area to whom an appeal of an assessment has been made to adjust downward the valuation of that municipality or primary assessing area when the county commissioners grant the abatement. The adjustment must be equal to the amount of the abatement.

Amendments Adopted

This bill requires payments beginning in fiscal year 2018-19 to a municipality of an amount, as determined by the State Tax Assessor, equal to 5% of the sales and use tax revenue attributable to the municipality in the previous fiscal year. The amount received may not reduce any other state aid or revenue sharing received by that municipality, and the municipality must use the amount received to reduce property taxes by the same amount. The Unorganized Territory Education and Services Fund receives the local sales tax payment for the unorganized territory and is subject to the same requirement to use the revenue to reduce property taxes.
