LD 898 An Act To Address Mandatory Overtime for Hospital Professionals

Sponsor(s)	Committee Report	Amendments Adopted
MASON G		

This bill prohibits a hospital from requiring employees that provide direct patient care to work more than 12 hours in any 24-hour period. This bill provides that this requirement does not apply to physicians or in cases of a declared emergency. The bill allows an aggrieved employee to file a complaint with the division of licensing and regulatory services within the Department of Health and Human Services, which must notify the hospital involved. The bill requires hospitals to report all instances of mandatory overtime work to the division, which must adopt rules regarding the manner and schedule for this reporting.

This bill was carried over to any special or regular session of the 128th Legislature by joint order, H.P. 1138.

LD 902 **Resolve, To Increase Access to Evidence-based Psychosocial Treatment CARRIED OVER** for Children in the MaineCare Program

Sponsor(s)	Committee Report	Amendments Adopted
MALABY R		

This resolve requires the Department of Health and Human Services to increase the MaineCare reimbursement rates for evidence-based outpatient psychosocial treatments for children to a rate that covers all costs involved with providing the service, including additional training, clears waiting lists and attracts providers to all areas of the State, including underserved rural areas. The resolve also requires the department to cover two additional evidence-based services known as trauma-focused cognitive behavioral therapy and parent management training programs through a request for proposals, using General Fund funds for training and hiring staff. The resolve requires the department and the contracted providers are required to develop a reimbursement rate for providing the service that is sufficient to allow the continued financial health of the service providers providing these therapies.

This resolve was carried over to any special or regular session of the 128th Legislature by joint order, H.P. 1138.
