Joint Standing Committee on Taxation

**LD 928 An Act Requiring a Dynamic Fiscal Analysis of Changes to Visual Media
Production Tax Credits and Reimbursements**

**Accepted Majority
(ONTP) Report**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
PICCHIOTTI J WHITTEMORE R	ONTP OTP-AM	

Part A of this bill requires the Department of Economic and Community Development to undertake by August 1, 2017 a pilot project to develop and evaluate a tax simulation model for state dynamic fiscal analysis of potential changes to the certified visual media production credit and the visual media reimbursement. Maine Revenue Services and the Office of Fiscal and Program Review are required to evaluate the pilot project and determine whether the changes proposed in Part B of the bill have a positive or negative impact on state revenue.

Part B of this bill repeals the certified visual media production credit, increases the reimbursement amount for certified production wages paid from 12% to 25% for residents of Maine, increases the cap on the reimbursement of wages from \$50,000 to \$100,000 and provides for a reimbursement of 20% of nonwage visual media production expenses. These changes take effect only if the result of the joint finding of Maine Revenue Services and the Office of Fiscal and Program Review is that the changes proposed in this Part would result in a positive fiscal impact on state revenue.

Committee Amendment "A" (H-281)

This amendment retains the provisions of the bill and changes certain dates. It extends the completion date for the proposed pilot project until November 1, 2017, the date for Maine Revenue Services and the Office of Fiscal and Program Review to report to the Joint Standing Committee on Taxation until December 15, 2017 and the date to certify the fiscal impact of the proposed changes on state revenue until December 31, 2017.

This amendment was not adopted.

LD 935 An Act To Exempt from Taxation Certain Out-of-state Pensions

**Accepted Majority
(ONTP) Report**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
BLUME L HILL D	ONTP OTP-AM	

This bill exempts from Maine income tax certain income from out-of-state pensions in order to avoid double taxation of that income. The exemption is calculated as the total amount of the contribution made by the taxpayer that was taxed in the other state divided by the life expectancy of the taxpayer and applies only if the income is included in federal adjusted gross income and not deducted under the general pension deduction. In order to qualify for the exemption, the contribution must have been made using income on which income tax was paid and is available only if the state in which the taxpayer resided at the time of the contribution provides a similar exemption to a former resident of Maine.

Committee Amendment "A" (H-170)

This amendment, which is the minority report, corrects a cross-reference and clarifies a condition of the deduction to refer to contributions made to a pension plan while being a resident of another jurisdiction. The amendment also adds an appropriations and allocations section and a fiscal note.
