STEWART H VOLK A	ONTP

LD 1006 An Act Regarding Housing Insecurity of Older Citizens

CARRIED OVER

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
TALBOT ROSS R	OTP-AM ONTP	H-210

This bill is a concept draft pursuant to Joint Rule 208.

This bill proposes to establish a statewide commission to study housing insecurity in the context of aging in place. The commission created under this bill would be tasked with exploring:

1. The long-term implications associated with the State's aging population;
2. The status of available affordable housing options in the State;
3. The availability of weatherization and repair programs that would allow older individuals to remain in their homes;
4. Various models of affordable and appropriate housing opportunities for older citizens that are in place in other states; and
5. The establishment of a statewide program facilitating the building for older persons of small accessory dwelling units that are located on the same grounds as, or attached to, a primary residence belonging to a family member of the older person.

Committee Amendment "A" (H-210)

This amendment is the majority report of the committee. The amendment replaces the bill, which is a concept draft. This amendment establishes the Advisory Council on Senior Housing to study the unmet need for affordable housing units for elderly residents of the State as well as the financial burden of home modifications and repairs necessary to enable the State's elderly residents to remain in their homes. The council is directed to make recommendations to the director of the Maine State Housing Authority for the development by January 1, 2023, of a strategic housing plan enabling elderly residents of the State to live in affordable, safe housing as they age. The director is directed to report to the joint standing committee of the Legislature having jurisdiction over housing matters on the development or implementation of the strategic housing plan by March 15th of the first regular session of each Legislature. The amendment also adds an appropriations and allocations section.

This bill was reported out of committee and then carried over to the next special or regular session of the 128th
