Joint Standing Committee on Health and Human Services

Enacted Law Summary

Public Law 2017, chapter 312 enumerates the types of nursing services that must be provided by the Public Health Nursing Program within the Department of Health and Human Services. It requires the Department of Health and Human Services to promptly fill all public health nurse positions within the Public Health Nursing Program for which funding is provided as soon as possible after enactment of this Act and no later than March 1, 2018. It prohibits the transfer or otherwise repurposing of any funds appropriated or allocated for the salaries, benefits and other costs of public health nurses and the services they provide. It sets deadlines for staffing and requires the Director of the Public Health Nursing Program under the Department of Health and Human Services to report to the Joint Standing Committee on Health and Human Services by December 15, 2017, and Februray 15, 2018, on the progress of the department in achieving full staffing of the Public Health Nursing Program.

Public Law 2017, chapter 284, the biennial budget, reinstates several Public Health Nurse positions.

LD 1109

An Act To Improve General Assistance Reimbursements

CARRIED OVER

Sponsor(s)	Committee Report	Amendments Adopted
CHIPMAN B		
HAMANN S		

This bill amends the municipal general assistance laws to provide a different method of determining the residence of an applicant and the municipality responsible for providing general assistance to that applicant, including an applicant relocating from another municipality. The bill provides that the municipality of record, which is defined as the municipality in which the applicant resided immediately prior to applying for assistance, is the responsible municipality.

Committee Amendment "A" (S-273)

This amendment, which is the majority report of the committee, replaces the bill and changes the title. It requires a municipality or Indian tribe to be responsible for 30% of the costs of its general assistance program and specifies that the costs incurred by the municipality or Indian tribe for administering the program count toward the 30%. It requires the Department of Health and Human Services to adopt routine technical rules to establish appropriate costs for administration. The amendment also adds an appropriations and allocations section.

This bill was reported out of committee and then recommitted to the committee; it was then carried over to any special or regular session of the 128th Legislature by joint order, H.P. 1138.
