**LD 1130 An Act To Provide Traffic Safety Education in Schools**

**Died On  
Adjournment**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
DAUGHTRY M KATZ R	OTP-AM ONTP	H-469 H-537 DAUGHTRY M

This bill was reported out of committee in the First Regular Session of the 128th Legislature and then carried over to the Second Regular Session on the Special Appropriations Table. This bill was again carried over, still on the Special Appropriations Table, from the Second Regular Session to the next special session by joint order S.P. 748.

The purpose of this bill is to provide students in Maine with access to traffic safety education from an early age with the goal of teaching students safe practices and respect for all users of the road in order to reduce the unacceptable number of pedestrian and bicyclist fatalities and make Maine's roadways safer and more enjoyable for all users. This bill requires all school administrative units to provide at least one hour annually of age-appropriate traffic safety education to students in grades 2 to 12. The traffic safety education program must provide, at a minimum, instruction on the use of public and private ways by pedestrians, bicyclists and motor vehicle operators and on the laws and rules regarding that use. A school administrative unit may contract with a third party to provide the education.

**Committee Amendment "A" (H-469)**

This amendment, which is the majority report of the committee, modifies the requirements in the bill for age-appropriate traffic safety education in school administrative units. The amendment provides that the traffic safety education must be provided annually to at least four different grade levels from kindergarten to grade 12. The amendment retains the requirements of the bill that the education be at least one hour in length and meet certain minimum requirements. This amendment also provides funding for 90% of the cost to school administrative units to implement the traffic safety education curriculum.

**House Amendment "A" To Committee Amendment "A" (H-537)**

This amendment requires traffic safety education to be provided annually in at least four different grades from grade 4 to grade 12, instead of kindergarten to grade 12 as in the committee amendment. This amendment revises the appropriations and allocations section based on the new requirement.
