<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
MILLETT R FECTEAU R	OTP-AM ONTP	

This bill creates a right to paid sick leave for employees not covered by a collective bargaining agreement who are employed by an employer that employs 50 or more employees. It also creates a right to unpaid sick leave for employees of an employer that employs fewer than 50 employees. This bill takes effect January 1, 2019.

**Committee Amendment "A" (S-126)**

This amendment is the majority report of the committee. It amends the bill by allowing an employer to satisfy the requirement to offer paid sick leave or unpaid sick leave by offering leave that may be used by the employee for either sick leave or vacation time, as long as that leave accrues at the same rate. The amendment clarifies that accrued sick leave provided in accordance with this bill is not considered wages that would be due to an employee after leaving employment with the employer. It also changes the type of rules the Department of Labor is authorized to adopt in order to implement and enforce the bill from routine technical to major substantive. The amendment also adds an appropriations and allocations section.
