FIRST REGULAR SESSION

LEGISLATIVE DIGEST OF BILL SUMMARIES AND ENACTED LAWS

This *Legislative Digest of Bill Summaries and Enacted Laws* contains summaries of all LDs and adopted amendments and all laws enacted or finally passed during the First Regular Session of the 128th Maine Legislature.

The *Digest* is arranged alphabetically by committee and within each committee by Legislative Document (LD) number. The committee report(s), prime sponsor and lead co-sponsor(s), if designated, are listed below each LD title. All adopted amendments are summarized and listed by paper number. A subject index is included with each committee. An appendix provides a summary of relevant session statistics.

Final action on each LD is noted to the right of the LD title. The following describes the various final actions.

Joint Standing Committee on Environment and Natural Resources

Committee Amendment "A" (H-370)

This amendment, which is the majority report of the committee, changes the title and amends the bill as follows.

1. It strikes the requirement that the Department of Economic and Community Development, Office of Community Development provide advanced training to code enforcement officers.
2. It strikes the proposed increases in the maximum per day civil penalty for specific violations of certain municipal land use laws or ordinances.
3. It retains the provision that municipal shoreland zoning ordinances must require an applicant for a permit for development within the shoreland zone to provide to the municipal permitting authority preconstruction and postconstruction photographs of the shoreline vegetation and development site.

The fiscal note on this amendment identifies as a potential state mandate certain requirements in the amendment relating to photographic records of developments within the shoreland zone. To be considered a mandate pursuant to the Constitution of Maine, a provision must require a local unit of government to expand or modify its activities so as to necessitate additional expenditures from local revenue. The members of the committee voting for this report find that the provisions identified in the fiscal note as a potential mandate do not require a local unit of government to expand or modify its activities so as to necessitate additional expenditures from local revenue.

This amendment was not adopted.

LD 1178	An Act To Better Understand and Control Invasive Aquatic Plants and Nuisance Species	ONTP
----------------	---	-------------

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
SAVIELLO T	ONTP	

This bill temporarily increases by \$1 the annual fee for the lake and river protection sticker required under the Maine Revised Statutes, Title 12, section 13058. The bill requires a study of the State's efforts to prevent the infestation of, to control, to eradicate and to otherwise manage invasive aquatic plants and nuisance species in the waters of the State through the program implemented under Title 38, chapter 20-A. The revenue from the temporary fee increase may be used to fund this study. The bill directs the Commissioner of Environmental Protection and the Commissioner of Inland Fisheries and Wildlife, in cooperation with the Interagency Task Force on Invasive Aquatic Plants and Nuisance Species, to facilitate this study, which must, among other things, identify the additional amount of funding, if any, necessary to ensure the long-term viability and success of the statutory program as well as recommendations for acquiring that additional amount of funding.

On or before January 15, 2018, the Commissioner of Environmental Protection and the Commissioner of Inland Fisheries and Wildlife jointly are required to submit a report to the Joint Standing Committee on Environment and Natural Resources and the Joint Standing Committee on Inland Fisheries and Wildlife detailing the findings and recommendations of the study, including any draft legislation, and the Joint Standing Committee on Environment and Natural Resources, in consultation with the Joint Standing Committee on Inland Fisheries and Wildlife, may report out a bill relating to the report to the Second Regular Session of the 128th Legislature.
