**LD 1248 An Act To Improve Public Transportation in Maine**

**Died On  
Adjournment**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
MCLEAN A	OTP-AM ONTP	H-144

This bill was reported out of committee in the First Regular Session of the 128th Legislature and then carried over by joint order S.P. 601 to the Second Regular Session on the Special Appropriations Table. This bill was again carried over, still on the Special Appropriations Table, from the Second Regular Session to the next special session by joint order S.P. 748.

The bill provides funding to the Department of Transportation to support and expand local volunteer driver networks; to create a pilot purchase of service program in a selected region of the State to provide senior citizens and persons with disabilities vouchers to purchase their own transportation services; and for regional transportation providers throughout the State to expand their services.

**Committee Amendment "A" (H-144)**

This amendment, which is the majority report of the committee, decreases the amounts of funding provided to the Department of Transportation from \$500,000 to \$250,000 to support and expand local nonprofit volunteer driver networks; from \$500,000 to \$250,000 to create a pilot purchase of service program in selected regions of the State to provide senior citizens and persons with disabilities vouchers to purchase their own transportation services; and from \$13,000,000 to \$1,500,000 for recipients of Federal Transit Administration funds throughout the State to expand their services. The amendment also provides that funding provided to the Department of Transportation is appropriated from the General Fund rather than allocated from the Highway Fund as proposed in the bill.
