An Act To Create the Emergency Medical Services Registration Plate

PUBLIC 302

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
HEAD F MAKER J	OTP-AM ONTP	H-160

This bill provides for issuance of special firefighter registration plates for emergency medical services persons. The bill also provides that the issuance of special firefighter registration plates for emergency medical services persons for those eligible is contingent upon the Secretary of State's receiving donations from public or private sources to cover the cost of the registration plates.

Committee Amendment "A" (H-160)

This amendment strikes the provision in the bill that provides for issuance of special firefighter registration plates for emergency medical services persons. Instead, the amendment provides for the issuance of emergency medical services registration plates for emergency medical services persons who are licensed by the Emergency Medical Services' Board and certified by the Director of Maine Emergency Medical Services within the Department of Public Safety. The amendment also strikes the contingent effective date in the bill and requires the Secretary of State to issue emergency medical services registration plates on or after January 1, 2018. The amendment also adds an appropriations and allocations section.
