Joint Standing Committee on Health and Human Services

This resolve requires the Maine Board of Pharmacy to adopt rules to allow a nongovernmental organization in the State to coordinate both the donation of unused prescription drugs by nursing homes, hospitals, wholesalers and other institutional pharmacies and the subsequent redispensing of these prescription drugs at no cost to low-income residents of the State.

This resolve was carried over to any special or regular session of the 128th Legislature by joint order, H.P. 1138.

LD 1291 **An Act To Increase Affordability of and Access to Heat Pumps for

This bill is a concept draft pursuant to Joint Rule 208.

This bill proposes to use unallocated funds from the Temporary Assistance for Needy Families program to increase affordability of and access to heat pumps for Maine homeowners.

LD 1300 **An Act To Require a Prescription for a Medication That Contains
Certain Substances That May Be Used To Make Methamphetamine** **ONTP**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
COOPER J	ONTP

LD 1301 **An Act To Improve Access to Preventive, Cost-saving Dental Services** **CARRIED OVER**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
MARTIN J KATZ R	OTP-AM ONTP	H-248

This bill requires that, beginning October 1, 2017, MaineCare coverage for adult dental services include an annual comprehensive oral examination and preventive services, including prophylaxis, topical fluoride, sealants, oral hygiene instruction, behavior management and smoking cessation counseling.

Committee Amendment "A" (H-248)

This amendment is the majority report of the committee. It makes consistent the dates by which the Department of Health and Human Services is to notify providers of the scope of dental benefits covered by the MaineCare program. It moves the directive to the department to adopt rules relating to coverage of adult preventive dental services and the designation of those rules as routine technical rules to allocated language. This amendment also provides funding for increased MaineCare coverage required by the bill.

This bill was reported out of committee and then carried over to the next special or regular session of the 128th Legislature on the Special Appropriations Table by joint order, S.P. 601.
