LD 1320 An Act To Regulate Fantasy Sports Contests

PUBLIC 303

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
KATZ R TIMBERLAKE J	OTP-AM ONTP	S-314

This bill requires persons who operate fantasy contests to register annually with the Department of Public Safety and pay a registration fee based on the gross revenues generated by that fantasy contest operator during the 12 months prior to registration or renewal. "Fantasy contest" is defined as a simulated game or contest in which one or more players pay an entry fee and compete for and win prizes of value based on outcomes that reflect the relative knowledge and skill of the players and that are determined predominantly by accumulated statistical results of the performance of individuals, including athletes in the case of sporting events.

This bill regulates the operators of fantasy contests, including by prohibiting the fantasy contest operator, an employee of the operator or a relative of the employee in the same household from participating in the contests; requiring the outcome to be based on more than just a score or point spread of a single game or contest; allowing an individual, on that individual's request to the operator, to be barred from playing in the contest; requiring the operator to provide notice of the prizes prior to the contest; and requiring the operator to establish a separate reserve account for the payment of prizes.

Finally, the bill exempts fantasy contests from the laws prohibiting games of chance and gambling.

Committee Amendment "A" (S-314)

This amendment, the majority report, replaces the bill and changes the title. Like the bill, the amendment sets up a structure to regulate the conduct of fantasy contests in the State.

The bill requires fantasy contest operators to register with the Department of Public Safety and sets a registration fee of 10% of the fantasy contest operator's annual gross fantasy contest revenues not to exceed \$5,000. The amendment requires the director of the Gambling Control Unit within the Department of Public Safety to oversee and administer the licensing and enforcement of the conduct of fantasy contests in the State. The amendment establishes an annual license fee of \$2,500 for contest operators that receive \$100,000 or more in gross fantasy contest revenue per year and authorizes the director of the Gambling Control Unit to set an application fee to cover the costs of administering the application process and conducting necessary background investigations. Fantasy contest operators that receive less than \$100,000 in gross fantasy contest revenues are not required to pay the license fee but are subject to the application fee. The amendment establishes licensing criteria and conditions of licensure for the operators of fantasy contests and requires the director to adopt rules.

The amendment requires a distribution of 10% of gross fantasy contest revenues of fantasy contest operators that receive revenues of \$100,000 or more annually. Finally, the amendment provides that the laws governing unlawful gambling and games of chance do not apply to fantasy contest operators that comply with the laws governing fantasy contests.
