the parties if they fail to enter into an agreement within 180 days. If the parties fail to enter into an agreement within 90 days after the commissioner orders mediation, the withdrawal committee may petition the commissioner to order binding mediation between the parties.

The amendment also provides that the referendum vote to approve the proposed agreement of withdrawal must be held before November 30th of the year prior to the proposed first year of operation of the schools of the petitioning municipality.

This bill was reported out of committee and then recommitted to the committee; it was then carried over to any special or regular session of the 128th Legislature by joint order, H.P. 1138.

**LD 1337**      **An Act To Define "Surrogate" for Student Residency Purposes**      **ONTP**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
PICCHIOTTI J	ONTP	

This bill specifies that a person is eligible to attend schools in the school administrative unit where the person's parent or surrogate resides, and defines a surrogate as an adult related to a minor and from whom the minor receives the ongoing care and support expected of a parent or, if no such relatives exist, an adult with whom the minor resides and who has provided the minor with the ongoing care and support expected of a parent.

**LD 1344**      **An Act To Assess and Improve the Quality of Physical Education in Kindergarten to Grade 12**      **Accepted Majority (ONTP) Report**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
DAUGHTRY M	ONTP OTP-AM	

This bill provides that the Commissioner of Education may not consider financial hardship as a basis for granting a school administrative unit a waiver from physical education requirements.

The bill also directs the Department of Education to conduct a comprehensive assessment of physical education offered to kindergarten through grade 12 students in public schools. As part of the comprehensive assessment, the department is required to work with school administrative units to complete self-assessments.

**Committee Amendment "A" (H-372)**

This amendment, which is the minority report of the committee, provides a new title and removes the sections of the bill that direct the Department of Education to conduct a comprehensive assessment of physical education offered to kindergarten through grade 12 students in public schools and to report on that assessment. It leaves the section of the bill that provides that the Commissioner of Education may not consider financial hardship as a basis for granting a school administrative unit a waiver from physical education requirements.

This amendment was not adopted.
