Joint Standing Committee on Labor, Commerce, Research and Economic Development

Public Law 2017, chapter 326 establishes the Health Care Employment for Military Veterans Program within the Department of Labor and charges the program with creating a "military-to-civilian crosswalk" that compares the military training and experience obtained by individuals who have served in specific military health care occupational specialties and the education and experience required to obtain national certification or state licensure or certification in equivalent or similar civilian health care occupations. The program is also charged with providing direct assistance to eligible veterans who seek to enroll in postsecondary education institutions and obtain academic credit for their military training and experience as well as eligible veterans who seek to secure an apprenticeship or employment in a health care occupation in the State. The department is required to operate the program using existing resources or available grant funding and, to the extent resources are limited, the program is required to give priority to eligible veterans who were discharged or released from military service no longer than two years prior to seeking assistance.

LD 1343 An Act To Promote Downtown Revitalization by Creating the Locating Businesses Downtown Loan Program Died On Adjournment

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
CHENETTE J FECTEAU R	OTP-AM ONTP	S-152

This bill was reported out of committee in the First Regular Session of the 128th Legislature and then carried over to the Second Regular Session on the Special Appropriations Table by joint order S.P. 601. This bill was again carried over, still on the Special Appropriations Table, from the Second Regular Session to the Second Special Session by joint order S.P. 748.

This bill establishes the Locating Businesses Downtown Loan Program within the Communities for Maine's Future Program to provide forgivable loans for businesses seeking to initially locate or to relocate in a downtown area, village area or along a main street within the State. Applications for loans under the program are evaluated by the Department of Economic and Community Development in conjunction with a loan review panel. Successful applicants must execute a loan agreement prepared by the department specifying the terms and conditions of the loan, including the length of time that a business must remain in the downtown area, village area or along a main street within the State for the loan to be forgiven.

Committee Amendment "A" (S-152)

This amendment is the majority report of the committee. It changes the appointing authority for one member of the Locating Businesses Downtown Loan Review Panel established by the bill. Instead of one representative from a statewide organization that advocates for economic development that preserves the quality of life in local communities being jointly appointed by the President of the Senate and the Speaker of the House, this panel member is appointed by the Maine Development Foundation.
