LD 1441 An Act To Create Veteran-friendly Workplaces

Veto Sustained

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
COLLINGS B CARSON B	OTP-AM ONTP	H-369

This bill establishes a program within the Department of Defense, Veterans and Emergency Management, Bureau of Maine Veterans' Services to encourage employers in the State to establish veteran-friendly workplaces. The bill provides criteria for certifying a workplace as a veteran-friendly workplace and requires the Director of the Bureau of Maine Veterans' Services to conduct regular trainings for employers who voluntarily decide to establish such a workplace. The bill also directs the Department of Labor to establish a manner for recognizing employers whose workplaces have been certified as veteran-friendly workplaces.

This bill also requires an employer to allow an employee who is a veteran to take paid leave to attend scheduled appointments at a medical facility operated by the United States Veterans Administration. The employee must make reasonable efforts to consult with the employer before scheduling such an appointment in order to accommodate, so far as is reasonable, the needs of the employer. The employer may require reasonable advance notice and verification from the veteran of such an appointment.

Committee Amendment "A" (H-369)

This amendment, the majority report, replaces the bill, striking the provisions that require an employer to provide a veteran with paid leave for appointments at a medical facility operated by the United States Veterans Administration and that establish a program to recognize veteran-friendly workplaces. The amendment amends current law governing family sick leave by defining "veteran" and requiring an employer with fewer than 25 employees to allow a veteran to take unpaid leave for scheduled appointments at a medical facility operated by the United States Department of Veterans Affairs when the veteran provides two weeks' notice. Employers who provide sick leave and have 25 or more employees must provide the veteran with paid leave for those appointments.

LD 1447 An Act To Recognize and Provide for the Right of the Houlton Band of Maliseet Indians To Operate a Casino on Houlton Band Trust Land Exempt from Certain Gaming Laws

Died Between Houses

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
BEAR H	ONTP OTP-AM	

This bill authorizes the Department of Public Safety, Gambling Control Board to accept an application for a casino operator license from the Houlton Band of Maliseet Indians to operate 350 slot machines and 10 table games at a casino on Houlton Band Trust Land located on the North Road property of the Houlton Band of Maliseet Indians in the Town of Houlton. A casino operated by the Houlton Band of Maliseet Indians is not subject to a referendum. The bill raises the limit on the number of slot machines allowed in the State from 3,000 to 3,350 to accommodate the casino operated by the Houlton Band of Maliseet Indians. A casino operated by the Houlton Band of Maliseet Indians would be subject to the oversight of the Gambling Control Board.

Committee Amendment "A" (H-437)

This amendment, the minority report, provides that an application submitted to the Gambling Control Board within the Department of Public Safety by the Houlton Band of Maliseet Indians to operate a casino must include an acknowledgment that the operation of the casino is subject to the oversight and enforcement of the Gambling Control Board. The amendment removes the provision in the bill that states a casino operated by the Houlton Band
