LD 1518

An Act To Formalize the Governance of the Maine Educational and Attainment Research Navigation System, a Longitudinal Data Series for Workforce Information

Died Between Houses

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
VACHON K	ONTP OTP-AM	

This bill establishes in statute the Maine Educational and Attainment Research Navigation System, a longitudinal data series of education and training outcomes, within the Department of Labor and creates the Maine Educational and Attainment Research Navigation System Executive Council to provide oversight. It repeals the provisions establishing the State Education and Employment Outcomes Task Force, which currently develops procedures for the data series.

Committee Amendment "A" (H-346)

This amendment is the minority report of the committee. It reduces funding no longer needed as the result of eliminating the State Education and Employment Outcomes Task Force.

This amendment was not adopted.

LD 1529

An Act To Protect Consumers during Residential Construction

PUBLIC 166

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
LANGLEY B	OTP-AM	S-166

This bill amends the laws governing home construction contracts in the following ways.

1. It increases the threshold upon which a written home construction contract is required from \$3,000 to \$5,000.
2. It repeals the provision in current law that allows homeowners or lessees and home construction contractors to exempt themselves from the home construction contract requirements by mutual consent.
3. It requires a home construction contractor to deposit funds received from a home construction contract into a business account that is separate from any account used for personal use by the contractor. A home construction contractor who violates this requirement commits a misapplication of home construction funds, a new Class E crime established by the bill, which also subjects the contractor to the escrow requirements established by the bill and a fine of not less than \$100 nor more than \$1,000.
4. If a home construction contractor has been convicted of misapplication of home construction funds or home repair fraud in the State, or any similar crime in another jurisdiction, the bill requires the contractor to put funds received in an escrow account or obtain an indemnity contract or surety bond. A person who violates these requirements is subject to a civil violation that carries a fine of not less than \$100 nor more than \$1,000. A person who violates these requirements and causes a homeowner or lessee to suffer a financial loss that is more than \$1,000 but not more than \$10,000 commits a Class D crime and commits a Class C crime when that financial loss is more than \$10,000.

Committee Amendment "A" (S-166)

This amendment strikes and replaces the bill. The amendment expands the crime of home repair fraud in Maine
