Joint Standing Committee on Taxation

This bill creates an excise tax on wind energy producers for the privilege of using wind power to produce electricity from wind resources for sale or trade beginning January 1, 2018. The tax is equal to \$1 per megawatt-hour of electricity produced as measured at the point of interconnection with an electric transmission line. The tax first applies three years after the turbines producing the electricity first begin operation. The tax does not apply to the Federal Government, the State, a county or municipality in the State or any individual producing electricity from wind resources for that individual's personal use.

Revenue from the tax is transferred to a newly created Wind Energy Impact Fund to be administered by the Public Utilities Commission. The commission is required to establish a process for distribution of revenues to ratepayers in areas affected by the wind energy production that is subject to the tax.

BICKFORD B	OTP-AM	H-463

This bill is submitted by the Department of Administrative and Financial Services and makes changes to numerous provisions of tax laws.

Part A makes the following changes to the administration of the tax laws.

1. It adds a tax information confidentiality exception to allow disclosures by the Maine Revenue Services to the Revenue Forecasting Committee in order to make available relevant tax information in support of the committee's statutory duties.
2. It amends tax lien provisions beginning August 1, 2017 to increase the State's ability to be first in line in priority ahead of certain other creditors for payment on a tax debt. The changes also clarify that the new lien provision does not affect liens related to municipal property taxes.
3. It amends the general provision for the annual calculation of the interest rate applicable to the Maine Revised Statutes, Title 36 tax underpayments and overpayments, effectively reducing the applicable interest rate.
4. It adds an exclusion to allow the public disclosure of information, except when the statute specifically designates the information as confidential.
5. It broadens an existing authorization for disclosure of confidential tax information to allow disclosures to the Department of Administrative and Financial Services, Division of Financial and Personnel Services, as well as to
