**An Act To Prohibit the Entry of Anadromous Fish Species into Sheepscot Pond for 3 Years and To Study the Consequences of the Presence of Anadromous Fish in Sheepscot Pond**

**ONTP**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
ZEIGLER S	ONTP	

This bill requires the Commissioner of Inland Fisheries and Wildlife to prohibit the entry of anadromous fish into Sheepscot Pond in the Town of Palermo through June 30, 2021. The bill also requires the commissioner, with the assistance of the Commissioner of Marine Resources and the Commissioner of Environmental Protection, to study the consequences of the presence of anadromous fish species in Sheepscot Pond, including any changes resulting from the prohibition through June 30, 2021, and to report the yearly findings of that study to the joint standing committee of the Legislature having jurisdiction over inland fisheries and wildlife matters by January 15th annually through 2022; a report of the cumulative effects of the prohibition is due by January 15, 2022.

**LD 1683 An Act To Extend the Term of Guide Licenses**

**PUBLIC 441**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
DAVIS P TUELL W	OTP-AM	S-396 S-515 HAMPER J

This bill was carried over from the Second Regular Session of the 128th Legislature on the Special Appropriations Table to the next special session by joint order S.P. 748.

This bill establishes an exception to the requirement that a registered Maine guide applicant and a Maine guide licensed by the Department of Inland Fisheries and Wildlife submit to a background check when the applicant or guide holds or seeks to hold a guide license of the type for which passage of a background check is a prerequisite for any credential required to obtain that type of guide license. The bill also extends the term of a guide license from up to three years to up to five years.

**Committee Amendment "A" (S-396)**

This amendment replaces the bill, which creates an exception to the background check requirement for certain applicants for guide licenses. Like the bill, the amendment extends the term of a guide license from three years to five years, and it correspondingly increases the fee for a guide license from \$81 to \$135; however, unlike the bill, those changes take effect January 1, 2019. The amendment establishes a Class E crime for failing to notify the Department of Inland Fisheries and Wildlife of a conviction or a finding of not criminally responsible that is grounds for the revocation, suspension or denial of a guide license within 30 days of the conviction or finding and provides that failure to notify is grounds for permanent revocation or denial of a guide license.

**Senate Amendment "A" To Committee Amendment "A" (S-515)**

This amendment removes the provision in Committee Amendment "A" that establishes a Class E crime for failing to notify the Department of Inland Fisheries and Wildlife of a conviction or a finding of not criminally responsible that is grounds for the revocation, suspension or denial of a guide license within 30 days of the conviction or finding. It retains the provisions of Committee Amendment "A" that extend the term of and increase the fee for a guide license. It also removes the emergency preamble and clause.

**Enacted Law Summary**

Public Law 2017, chapter 441 extends the term of a guide license from three years to five years, and it
