<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>

LD 92

An Act To Amend Educator Evaluation Requirements

PUBLIC 27

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
MCCREA D HERBIG E	OTP-AM OTP-AM	H-18

This bill clarifies that the use of student learning and growth data to inform instruction is included as part of the multiple measures of educator effectiveness. The bill also requires the Department of Education to submit a provisionally adopted rule to the Legislature by January 10, 2020.

Committee Amendment "A" (H-18)

This amendment, which is the majority report of the committee, clarifies that a school administrative unit is not required to use student growth measures in educator evaluation requirements and provides that the effective date of the provisions in the legislation that remove the requirement regarding student growth and learning systems is September 1, 2021. This amendment also requires that a school administrative unit's steering committee on the elements of the school administrative unit's performance evaluation and professional growth system must include a majority of teachers chosen by the school administrative unit's local union and that any revisions to the performance evaluation and professional growth system made by the steering committee must be reached by consensus.

Committee Amendment "B" (H-19)

This amendment is the minority report of the committee. It strikes and replaces the bill with a resolve directing the Department of Education to revise the Maine Educational Assessment so that it accurately reflects measurements of student learning and growth. The department is required to consult with teachers and administrators and local steering committees in revising the assessment. The revised assessment must be designed to provide data and performance metrics that will be used as a measure of performance of English language arts and mathematics teachers and may be designed to provide data and performance metrics to be used as a measure of performance in other content areas.

This amendment was not adopted.
