LD 104	An Act To Replace the Earned Income Tax Credit with the Maine Work Credit	CARRIED OVER
---------------	--	---------------------

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
VITELLIE	OTP-AM	S-297
TEPLER D	OTP-AM	

This bill was carried over on the Special Appropriations Table from the First Regular Session of the 129th Legislature by joint order, H.P. 1322.

This bill expands the earned income tax credit by increasing the credit from 5% to 15% of the federal earned income tax credit and extending the credit to persons from 18 to 24 years of age who have no qualifying child. This bill also requires the Department of Labor, Bureau of Labor Standards to provide a poster or notice to employers that states that employees may be eligible for the earned income tax credit. This bill requires employers to post the poster or notice in a place that is accessible to the employers' employees.

Committee Amendment "A" (S-297)

This amendment, which is the majority report of the committee, replaces the provisions of the bill amending the earned income tax credit with the Maine work credit. The Maine work credit is similar to the federal earned income tax credit but uses different factors for calculating the credit that are intended to produce a state credit for individuals with qualifying children that is approximately 23% of the federal credit and for individuals with no qualifying children that is approximately 70% of the federal credit. The amendment also provides eligibility for individuals who are at least 18 years of age but less than 25 years of age who have no qualifying children and creates a minimum credit for students and eligible caregivers. The amendment also adds an appropriations and allocations section.

Committee Amendment "B" (S-298)

This amendment, which is the minority report of the committee, expands the earned income tax credit by increasing the credit from 5% of the federal earned income tax credit to 60% for individuals with no qualifying children and 15% of the federal earned income tax credit for all other eligible individuals for tax years beginning in 2020 and increasing each year until it reaches 23% for tax years beginning in 2023 and after. This amendment also adds an appropriations and allocations section. This amendment was not adopted.

This bill was again carried over, still on the Special Appropriations Table, to any special session of the 129th Legislature by joint order, S.P. 788.
