Sponsor(s)	Committee Report	Amendments Adopted
BRENNAN M	OTP-AM	Н-354
CHENETTE J		

This bill was amended to a resolve in the First Regular Session of the 129th Legislature and then carried over on the Special Appropriations Table from the First Regular Session by joint order, H.P. 1322.

This bill provides funding to create a substance use disorder clinic at the Cumberland County jail.

#### Committee Amendment "A" (H-354)

This amendment replaces the bill with a resolve. It provides funding to the Department of Corrections to establish a 24-month pilot project at the Cumberland County jail to assist in the rehabilitation of individuals incarcerated or detained at the jail who need substance use disorder treatment. The pilot project must focus on the health of the individual and provide services that include counseling, medication-assisted treatment, education and employment opportunities and community service. The contract must include outcome measures for those who are no longer in the jail.

This resolve was again carried over, still on the Special Appropriations Table, to any special session of the 129th Legislature by joint order, S.P. 788.

# LD 115An Act To Appropriate Funds for Home Visiting Services To ProvideCARRIED OVERChild Development Education and Skills Development for New ParentsCARRIED OVER

Sponsor(s)	Committee Report	Amendments Adopted
CRAVEN M	OTP-AM	H-137

This bill was carried over from the First Regular Session of the 129th Legislature on the Special Appropriations Table by joint order, H.P. 1322.

This bill appropriates funds for home visiting services to provide child development education and skills development for new parents.

#### Committee Amendment "A" (H-137)

This amendment directs the Board of the Maine Children's Trust Incorporated to use state funds it receives to maximize its receipt of federal funds. This amendment also adds an appropriation of funds to stabilize the workforce by bringing salaries of home visitors in line with comparable positions. It reduces the additional funding provided in the bill for home visiting services from \$4,000,000 for fiscal year 2019-20 and \$3,000,000 for fiscal year 2020-21 to \$500,000 for each year and provides that the funding must be used to reduce any waiting lists for home visiting services. It directs these funds to go to the Maine Children's Trust.

This bill was carried again over, still on the Special Appropriations Table, to any special session of the 129th Legislature by joint order, S.P. 788.
