Joint Standing Committee on Veterans and Legal Affairs

two candidates who receive the most votes are declared the winners of the open primary and their names must appear on the ballot for the general election. If one of the two candidates who received the most votes at the open primary withdraws from the race at least 70 days before the general election, that candidate must be replaced with the candidate who received the third most votes in the open primary election, if any. Voters may not vote for a write-in candidate in a general election preceded by an open primary election. As a result, ranked-choice voting is no longer used in general elections for United States Senator and United States Representative to Congress under the bill. Instead, the candidate who receives a plurality of votes at the general election is elected to those offices.

Committee Amendment "A" (H-311)

This amendment, which is the minority report of the committee, makes the following changes to the election laws to implement the open primary election procedure authorized in the bill.

1. It reduces the number of candidate petition signatures that an unenrolled candidate for the office of United States Senator, United States Representative, Governor, State Senator or State Representative must obtain to be placed on the open primary ballot to match the number of petition signatures that a party candidate for the same office must obtain to be placed on the open primary ballot.
2. It authorizes an unenrolled candidate who is certified for participation under the Maine Clean Election Act and who participates in a contested open primary election to receive the same amount of distributions from the Maine Clean Election Fund that a certified party candidate receives for participation in the same contested open primary election.
3. If one of the two candidates who received the most votes at the open primary, as determined by ranked-choice voting, withdraws from the race at least 70 days before the general election, it directs the Secretary of State to replace that candidate on the general election ballot with the candidate who received the next most votes in the open primary who is willing and able to appear on the general election ballot. If no candidate meets these criteria, the amendment directs the Secretary of State to place a blank space on the general election ballot that may be used by a voter to vote for a write-in candidate.
4. It makes a technical change to the deadlines for candidate certification under the Maine Clean Election Act.
5. It adds an appropriations and allocations section.

This amendment was not adopted.

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
FARRIN B NADEAU C	OTP-AM	S-42

This bill removes the requirement that beano games conducted by organizations such as volunteer fire departments, agricultural fair associations and nonprofit, charitable, educational, political, civic, recreational, fraternal, patriotic, religious or veterans' organizations be conducted by members of those organizations and instead requires that beano games conducted by these organizations be conducted in the presence of at least one member of the organization.

Committee Amendment "A" (S-42)

This amendment strikes and replaces the bill. Like the bill, the amendment removes the requirement in current law that beano or bingo games conducted by an organization such as a volunteer fire department, agricultural fair association or nonprofit association must be conducted entirely by members of the organization. Under the amendment, the beano or bingo games must be conducted under the exclusive control of an adult member of the organization, who may be assisted by other individuals. The amendment defines "member" to mean an individual duly admitted as a member according to the laws, rules, regulations, ordinances or bylaws governing the organization.

The amendment also makes a technical change to the laws governing beano and bingo to clarify that a charitable,
