**LD 154 An Act To Amend the Law Governing MaineCare Coverage of Chiropractic Treatment**

**CARRIED OVER**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
LIBBY N MARTIN J	OTP-AM ONTP	S-37

This bill was carried over from the First Regular Session of the 129th Legislature on the Special Appropriations Table by joint order, H.P. 1322.

This bill requires all chiropractic services that are within the scope of practice of chiropractic doctors and performed by a licensed chiropractic doctor to be reimbursed under the MaineCare program. Under current law, the Department of Health and Human Services is required to reimburse for only chiropractic evaluation and management examinations. The bill also corrects a numbering problem created by Public Law 2017, chapters 421 and 454, which enacted two substantively different provisions with the same section number.

**Committee Amendment "A" (S-37)**

This amendment, which is the majority report of the committee, requires the Department of Health and Human Services to apply for a state plan amendment to allow for Medicaid reimbursement for all chiropractic services within the scope of practice of chiropractic doctors no later than January 1, 2020. If the state plan amendment is not approved by the United States Department of Health and Human Services, Centers for Medicare and Medicaid Services, chiropractic doctors will not be reimbursed by MaineCare for any additional chiropractic services not currently eligible for reimbursement. The amendment also adds an appropriations and allocations section.

This bill was again carried over, still on the Special Appropriations Table, to any special session of the 129th Legislature by joint order, S.P. 788.

**LD 177 Resolve, To Improve Access to Bariatric Care**

**CARRIED OVER**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
PERRY A GRATWICK G	OTP-AM	H-472

This resolve was carried over from the First Regular Session of the 129th Legislature on the Special Appropriations Table by joint order, H.P. 1322.

This resolve requires the Department of Health and Human Services to provide 16 new specialized bariatric care beds in one or more nursing facilities to serve individuals with a body mass index greater than 40.

**Committee Amendment "A" (H-472)**

This amendment replaces the resolve. It requires the Department of Health and Human Services to develop a plan to provide up to 16 new specialized bariatric care nursing facility beds by September 1, 2020. The amendment also adds an emergency preamble and emergency clause.

This resolve was again carried over, still on the Special Appropriations Table, to any special session of the 129th Legislature by joint order, S.P. 788.
