Under current law, when MaineCare benefits are provided to an individual for the costs of injury, disability or other occurrence for which a third party is held liable, the Commissioner of Health and Human Services is entitled to recover the costs of MaineCare benefits, and the statutory lien may not be reduced to reflect an assessment of a pro rata share of the recipient's attorney's fees or litigation costs. This bill amends that provision of law to allow the statutory lien to be reduced.

This bill was carried over to any special or regular session, or both, of the 129th Legislature pursuant to joint order, H.P. 1322.
