LD 232 An Act To Change the Process by Which Designated Nonstate Mental Health Institutions Petition the District Court To Admit Certain Patients to a Progressive Treatment Program CARRIED OVER

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
PERRY A MOORE M		

This bill changes the process by which a petition to the District Court is made to admit a patient at a designated nonstate mental health institution to a progressive treatment program. Current law provides that the superintendent or chief administrative officer of a psychiatric hospital, including a designated nonstate mental health institution, directly petition the District Court. This bill provides that the superintendent or chief administrative officer of a designated nonstate mental health institution request the Commissioner of Health and Human Services to petition the District Court on the superintendent's or chief administrative officer's behalf.

This bill was carried over to any special or regular session, or both, of the 129th Legislature by joint order H.P. 1322.

MARTIN J LIBBY N	OTP-AM ONTP	H-22

If the department conducts a rate study of chiropractic services for manipulative treatments, the department may adopt new rates. The rules adopted are routine technical rules.
