Committee Amendment "A" (S-74)

This amendment is the minority report of the committee. The amendment replaces the bill. The amendment provides for a mandatory minimum term of imprisonment for an aggravated assault on a victim who is a law enforcement officer, a corrections officer or corrections supervisor or a member of the staff of a correctional institution who is in the performance of the victim's official duties if the defendant planned the assault prior to the assault or targeted that person because of that person's employment. The amendment provides a procedure and standards for the court to impose a sentence of imprisonment less than the mandatory minimum.

This amendment was not adopted.

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
CYRWAY S ARATA A	OTP-AM	S-118

This bill allows an emergency medical services person or law enforcement officer whose training allows that person to draw blood samples to draw a specimen of blood from the operator of a motor vehicle involved in a fatal traffic accident for the purpose of determining the blood-alcohol level or the presence of a drug or drug metabolite. This bill extends to those same persons the current law shielding persons from liability for acts done or omitted in collecting or withdrawing specimens of blood.

Committee Amendment "A" (S-118)

This amendment changes the title of the bill and strikes and replaces the bill. The amendment makes grammatical changes to clarify the law providing immunity from liability for an act done or omitted in collecting or withdrawing specimens of blood at the request of a law enforcement officer and extends that immunity to an emergency medical services person, a law enforcement officer, an emergency medical service and a law enforcement agency.

Enacted Law Summary

Public Law 2019, chapter 189 amends the law regarding persons shielded from liability for an act done or omitted in collecting or withdrawing specimens of blood at the request of a law enforcement officer.
