LD 291 An Act Regarding Responsibility for the Duplicative or Incorrect Payment of Health Insurance Claims

PUBLIC 30

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
RILEY T SANBORN H	OTP-AM	H-17

This bill requires an insurer who overpays a claim to attempt to retroactively collect that overpayment directly from the provider, not the insured, unless the insured was directly paid by the insurer for the services identified in the claim and the insured did not forward payment to the provider.

Committee Amendment "A" (H-17)

This amendment replaces the bill and changes the title. It clarifies that the provisions of the bill are intended to apply to duplicative or incorrect claims payments made with respect to health insurance coverage.

Enacted Law Summary

Public Law 2019, chapter 30 requires a health insurance carrier who has made a duplicative or incorrect payment with respect to health insurance coverage to seek retroactive collection from the provider, not the enrollee, unless the enrollee was already paid directly and the provider submits evidence to the carrier that the enrollee did not forward payment to the provider. A health insurance carrier may require an enrollee to provide evidence of payment to the provider after the provider has first submitted evidence that the enrollee did not forward payment to the provider.
