| <u>Sponsor(s)</u> | <u>Committee Report</u> | <u>Amendments Adopted</u> |
|-------------------|-------------------------|---------------------------|
| SAMPSON H | ONTP | |

This bill is a concept draft pursuant to Joint Rule 208. This bill proposes to create a paid internship program in the Department of Inland Fisheries and Wildlife in order to provide beginning wildlife biologists with a diversity of opportunities to increase their experience and make them more versatile and more likely to pursue careers in the State.

The bill requires that the program:

1. Employ a competitive process to choose interns;
2. Offer a paid internship to each chosen participant for a period of no less than two years;
3. Include various fields of study in incremental blocks over the course of the internship; and
4. Be offered to no fewer than three interns per year.

This bill anticipates that funding for this program would come, in part, from the consolidation of seasonal and other part-time positions in the Department of Inland Fisheries and Wildlife the duties of which can be performed by interns participating in the program.
