Joint Standing Committee on Judiciary

LD 328 An Act To Institute Safe Children Court Team Programs

ONTP

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
MADIGAN C BELLOWS S	ONTP	

This bill authorizes the Judicial Department to establish safe children court team programs, modeled on the "Safe Babies Court Team" approach supported by the Quality Improvement Center for Research-based Infant-Toddler Court Teams funded by the United States Department of Health and Human Services, Administration for Children and Families, Children's Bureau. The purpose is to develop a community-based system to provide local systems and services for children and families that interact with the State's child protection system.

LD 357 An Act Regarding Court Facilities in York County

Died Between Houses

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
WOODSOME D MASTRACCIO A	ONTP OTP-AM	

This bill resolves logistical issues created by the construction of a consolidated courthouse for York County in Biddeford. Earlier legislation that authorized construction of the courthouse did not factor in adequate space for the office of the district attorney, a required component of the judicial process. This bill provides for the construction of a building of sufficient size to accommodate the office of the district attorney to be connected to the new courthouse. This bill authorizes the issuance of up to \$6,000,000 in Maine Government Facilities Authority securities to construct the building, but the planning and design, a joint project by the judicial branch and York County, will be covered by the existing funding of the courthouse.

The goal of this bill is to make the new building as cost-neutral to the parties as possible. York County will pay the debt service on the bonds and pay annual rent for the land of \$1 until the debt service is fully paid, at which time the State will transfer the land and building to York County for \$1. In addition, the three district court buildings vacated when the new consolidated courthouse opens must be transferred at no cost to York County for its exclusive use.

Committee Amendment "A" (S-273)

This amendment is the minority report of the committee. It amends the bill to:

1. Require the architect and construction manager costs to be included as part of the cost of the design and construction of the new building to accommodate the office of the York County district attorney. The bill includes those costs as part of the new Biddeford courthouse construction costs; and
2. Remove the portion of the bill that transfers the three district courthouses to York County when they are vacated.

This amendment was not adopted.
